Sir:

In response to the Final Office Action of May 17, 2005, please amend the application to place the claims in better condition for allowance and/or appeal as follows:

IN THE SPECIFICATION:

The specification has been objected to as failing to provide proper antecedent basis for the claimed subject matter and the examiner has requested that the following be corrected -- by adding the following sentence to the end of the first paragraph beginning on Page 8, Line 9.

"The engine powering the propeller being a variable speed engine operable in a single rotational direction, as set forth in claim 7." See the following page in accordance with 37 C.F.R. 1.121.
